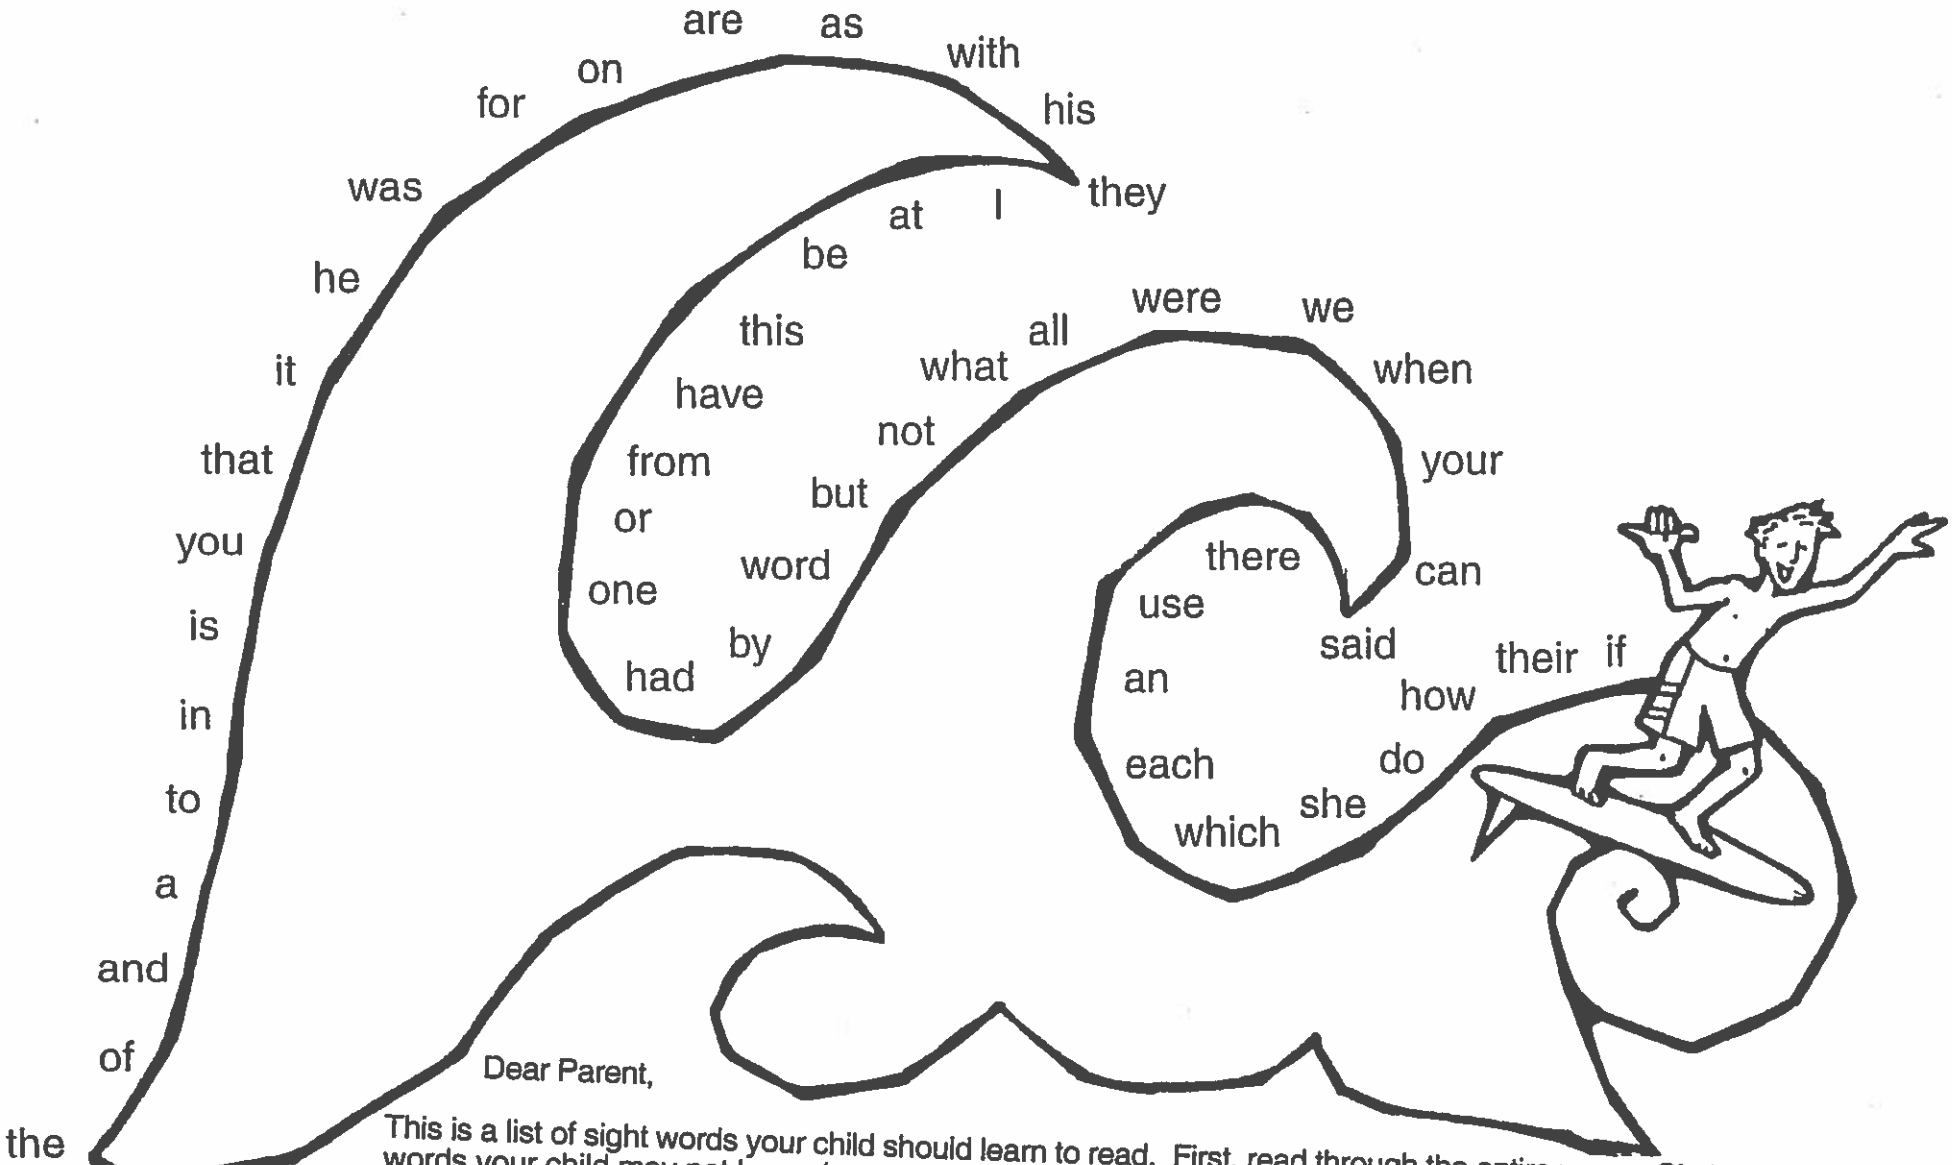
Ride the Word Waves

1



Dear Parent,

This is a list of sight words your child should learn to read. First. read through the entire wave. Circle any words your child may not know (or words you feel he/she simply needs to practice further.) Next, practice the circled words at home on a daily basis. When your child knows all of the words fluently, sign the card and return it to school. Your child will be "tested" on the wave. When he/she passes the test, a new card will be sent home.

_____ is ready to be tested _____

My child
