Dear CVUSD Parent/Guardian,

As a recipient of the Tobacco-Use Prevention Education (TUPE) Grant, the Chino Valley Unified School District is required to administer the California Healthy Kids Survey (CHKS) to students in grade 5 every two years. The survey includes questions about alcohol, tobacco, drugs, school safety, learning environment, and personal background. **Student participation in the anonymous survey is voluntary.**

Parents/Guardians are welcome to preview the survey using the QR codes and links below. Copies of the survey are also available in your student's school office.
