

Wickman 6th Grade Yearbook Dedication Ads

It is a rare opportunity when you can express to your child the extent of your pride and joy. Here is your chance! Say it all in your own dedication ad to your sixth grader. You will be able to include pictures and customize your own dedication ad! We will even provide the software for you to begin creating your dedication ad right away! All dedication orders will be turned in and purchased online at www.community.pictavo.com.

1/4 Page Recognition Ad- All Color	\$25.00
1/8 Page Recognition Ad- All Color	\$15.00

Deadline: Friday, March 13th, 2015!

**Ad space is limited. Orders will be taken until ad space runs out.*

OPTION 1- Best Option & Best Quality!

Design your yearbook Dedication Ad directly on our yearbook website! You can upload pictures, create your own ad from scratch or use a template, type in a personal message, include as many pictures as you like, and pay online! It is that easy!

-Go to www.community.pictavo.com

- Click on SHOP Products → Click Here to Shop your School
- Create an account and then find your school via state, city, and school name
- Shop Recognition Ads→ Click on Order → Click on DESIGN IT NOW
- Use the software to design the your ad and click on SAVE and name your project
- Click ADD TO CART. You will be directed to go through the online ordering process
- After you have placed your order, click on MY STUFF and click on SEND TO YEARBOOK STAFF.

*Please note you cannot upload candid pictures larger than 10 MB

OPTION 2-

This option is for those that would like to design a yearbook Dedication Ad using their own Photoshop software. If you are not familiar with Photoshop or other design software, we strongly recommend that you use the Pictavo Community with Option 1. If you plan on creating your dedication using your own software, please note that we will only accept high resolution JPEG files, but please no larger than 10MB! Please create and save as a high resolution JPEG file. Please name your file as follows: `firstname_lastname.jpg`. You will then upload and submit this file to the Pictavo Community using the directions above. All digital files must be submitted through the Pictavo Community.
