School Description

Buena Vista High School (BVHS) continues to be the only daily "credit recovery program" for the Chino Valley Unified School District. Students who have reached the age of sixteen, may opt to 'voluntarily' transfer here when they have fallen behind in their academic credits for graduation. BVHS provides a variety of opportunities for students to recover credits in a small class size environment with a teaching and support staff that has several years of experience working with our most at risk student population.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2015-16 Student Enrollment by Grade Level						
Grade Level Number of Students						
Grade 10	2					
Grade 11	55					
Grade 12	130					
Total Enrollment 187						

2015-16 Student Enrollment by Group					
Group	Percent of Total Enrollment				
Black or African American	1.6				
American Indian or Alaska Native	0.5				
Asian	0.5				
Filipino	1.1				
Hispanic or Latino	87.7				
Native Hawaiian or Pacific Islander	0				
White	7.5				
Two or More Races	1.1				
Socioeconomically Disadvantaged	77.5				
English Learners	24.6				
Students with Disabilities	9.6				
Foster Youth	2.1				

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

9 1

Teacher Misassignments and Vacant Teacher Positions at this School								
Buena Vista High School 14-15 15-16 16-17								
Teachers of English Learners	0	0	0					
Total Teacher Misassignments	0	0	0					
Vacant Teacher Positions	0	0	0					

[&]quot;Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2015-16 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers							
Location of Classes Taught by Highly Not Taught by High Qualified Teachers Qualified Teachers							
This School	94.6	5.4					
	Districtwide						
All Schools	All Schools 97.0 3.0						
High-Poverty Schools	95.4	4.6					
Low-Poverty Schools	Low-Poverty Schools 98.6 1.4						

^{*} High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

On October 6, 2016, the Chino Valley Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 2016/2017-10 which certifies as required by Education Code 60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive.

Textbooks and instructional materials are provided for each student for use in class and to take home. It was determined that each pupil in each school has sufficient textbooks and instructional materials that are aligned to the academic content standards in the core subject areas for the 2016/2017 school year.

	Textbooks and Instructional Materials Year and month in which data were collected: October 2015

School Facility Conditions and Planned Improvements (Most Recent Year)

The Chino Valley Unified School District provides a safe, clean environment for students, staff, and parents. Custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is in place to keep all classrooms and facilities well-maintained and provide an environment that is conducive to learning. The school site complies with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

Safety concerns are the number one priority of Chino Valley Maintenance and Operations department. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Classrooms, bathrooms, and general areas are kept in good repair and receive basic cleaning on a daily basis. Detailed cleaning is done during vacation periods.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: November 2016

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2015-16 CAASPP Results for All Students								
Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)								
Subject	School District State							
	14-15	15-16	14-15	15-16	14-15	15-16		
ELA	10	14	56	59	44	48		
Math	1	1	43	47	34	36		

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Results for All Students - Three-Year Comparison									
Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)									
Subject	School District State								
	13-14	14-15	15-16	13-14	14-15	15-16	13-14	14-15	15-16
Science		12	8		64	63		56	54

* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade	2015-16 Percent of Students Meeting Fitness Standards					
Level	4 of 6	5 of 6	6 of 6			

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)

10 , , ,							
	Number of	Students	Percent of Students				
Group	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced			
All Students	15	13	86.7	7.7			
Female	11	9	81.8	11.1			
Socioeconomically Disadvantaged	12	10	83.3				

^{*} Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven						
		Number o	of Students	Percent	of Students	
Student Group	Grade	Enrolled	Tested	Tested	Standard Met or Exceeded	
All Students	11	118	111	94.1	14.4	
Male	11	76	73	96.0	15.1	
Female	11	42	38	90.5	13.2	
Hispanic or Latino	11	99	92	92.9	13.0	
Socioeconomically Disadvantaged	11	82	79	96.3	15.2	
English Learners	11	21	20	95.2	5.0	

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2015-16 CAASPP Assessment Results - Mathematics Disaggregated by Student Groups, Grades Three through Eight and Eleven						
		Number o	f Students	Percent	of Students	
Student Group	Grade	Enrolled	Tested	Tested	Standard Met or Exceeded	
All Students	11	118	110	93.2	0.9	
Male	11	76	72	94.7	1.4	
Female	11	42	38	90.5		
Hispanic or Latino	11	99	91	91.9	1.1	
Socioeconomically Disadvantaged	11	82	78	95.1	1.3	
English Learners	11	21	20	95.2		

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents are urged to participate in all aspects of their child's education at Buena Vista High School. Any parent or guardian w ishing to volunteer in a classroom or on the School Site Council (SSC), English Language Advisory Committee (ELAC), or in the Parent Advisory Committee (PAC) may contact the principal. Buena Vista is in partnership w ith many community businesses that offer our students gift certificates as incentives for meeting and exceeding their credit recovery goals. Each year, community organizations such as the Chino Police Department, Kiwanis Club, Rotary Club, and Chino Women's Club offer scholarships to the graduates. The Lion's Club also donates optical wear to low-income students who cannot afford prescription eyewear. Buena Vista High School is also working in conjunction with the Chino Human Services Department to offer our students a wide variety of counseling sessions in an effort to create a well-rounded individual.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Each school has a detailed School Site Safety Plan for emergencies. Each staff member is assigned a specific responsibility in the event of an emergency. Staff members are trained in the plan's components and procedures. Fire, earthquake, and intruder drills are held on a regular basis so that all students and staff are familiar with emergency procedures. Emergency supplies are located on each campus in the event of an emergency.

Assigned staff monitors school grounds daily before, during, and after school. The District policy regarding campus visitors is enforced by requiring everyone to check in at the school office and obtain a visitor's badge. A visitor sign-in log is located in the school office and all visitors must sign in before going onto the campus. In addition, all visitors must wear an identifying badge while on campus. To increase security, all gates remain locked during the school day, so visitors must enter campus through the school office.

The Chino Valley Unified School District is committed to providing an environment that fosters health and safety, in both form and function. This commitment extends to the process of developing and maintaining a comprehensive Emergency and Disaster Preparedness Plan as a part of the District's Safe Schools Plan and is evident from the individual site to the overall District. These plans delineate actions to protect all students while they are at school. The plans are designed with the help of security staff members, local law enforcement, local fire, and emergency management, and public health officials as required by Education Code 32280-32282.

Plans are reviewed and updated yearly in accordance with Education Code 32286. These plans include procedures to respond to critical incidents, such as fire, earthquake, or intruders. School personnel practice these drills regularly.

The primary purpose of the Chino Valley Unified School District Emergency and Disaster Preparedness Plan is to define roles and responsibilities at the site and between the site and district office management. The Emergency and Disaster Preparedness Plan establishes the minimum requirements for school and site plans throughout the District. This Plan meets the requirements of the Standardized Emergency Management System (SEMS) as mandated by California Code of Regulations, Sections 2400-2450, and the National Incident Management System (NIMS) as mandated by Government Code 8607. It also meets the requirements for earthquake preparedness found in Title 5 (California State Education Code, Sections 35295-35297).

Suspensions and Expulsions							
School	2013-14 2014-15 2015-16						
Suspensions Rate	15.9	14.3	13.1				
Expulsions Rate	0.7	0.3	0.3				
District	2013-14	2014-15	2015-16				
Suspensions Rate	3.8	3.3	3.2				
Expulsions Rate	0.1	0.1	0.1				
State	2013-14	2014-15	2015-16				
Suspensions Rate	4.4	3.8	3.7				
Expulsions Rate	0.1	0.1	0.1				

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Social Science	7	6	20	31	42	28	1	1	0			0

Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

The Chino Valley Unified School District is committed to high quality Professional Learning to support the instructional capacity of teachers and leaders. Professional learning opportunities are aligned to CVUSD's Area of Emphasis for Common Core ELA, Common Core Math, 4C's-Critical Thinking, Student Behavior, Instructional Technology and Formative Assessments. These areas were identified by the Teaching and Learning Task Force as focus areas for our district in 2015-16. Professional learning opportunities are evaluated through survey results, feedback, and next steps from End-Users. Professional learning opportunities are varied in its delivery: district-wide days during school hours, after-school workshops and volunteer sessions. Implementation for learning is supported through Site-Based PD from Site Administrators and coaching opportunities from Intervention Specialists.

Types of Services Funded

The district's general fund includes monies for:

- 1. General operations- services, materials, and support to the general education.
- 2. Specific education-programs offering appropriate, individualized education to students with special needs.
- 3. Special projects- monies from agencies (e.g., federal, state) earmarked for specific services.
- 4. Transportation
- 5. Maintenance and operations
- 6. District administration
- 7. LCFF/LCAP- Serves targeted students of the district See District's LCAP plan located on www.cvusd.k12.ca.us

Each school in the district receives an instructional budget based upon enrollment, programs and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

Career Technical Education Programs

Our vision includes a relevant and rigorous academic program that integrates with career technical education. Chino Valley Unified School District (CVUSD) will provide the opportunity for all students to master the academic standards, develop physical and social skills, and apply them with the vocational and technical skills of Career Technical Education (CTE). The purpose is to prepare our students to successfully interact, communicate, and work in key industry sectors that are vital to our local, state, and global economies. Through proper preparation, our students will acquire the necessary education and skills to enhance, support, and grow our global economy. The goal of CVUSD includes changing, improving, and enhancing the philosophy of career technical education from past practices to a paradigm shift that includes rigorous, relevant, and quality programs that prepare students with a seamless transition to the workforce, technical training programs, and postsecondary education. Students will have universal access to all CTE programs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at
libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length
of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print
documents.
