

Ramona JHS Annual Career Day

Each year we reach out to members of the community to come and share their career paths with our students. I'm inviting you to provide a booth at our event. I need your help in showcasing the college and career options available to them. Please feel free to bring any props, equipment or tools that you use in your line of work. My goal is to engage all students in career exploration by peaking their interest with various professions/jobs in the world of work. If you would like to participate please complete the attached form and return it by email or mail by February 1st, 2017.

February 22nd, 2017 7:15am-1:00pm

**Ramona Junior High School
4575 Walnut Ave., Chino, CA 91710

***Continental breakfast and Lunch will be provided**

Research shows that students who receive career intervention in middle school are more likely to build an effective academic plan for high school, as well as career readiness. Your participation is important to our students and will help in the following ways:

- Provides a positive and present role model for the students
- Builds relationships with the local business community
- Introduces and exposes our students to a variety of career paths
- Provides opportunities for adults to engage with students
- Encourage students to set life and career goals to help guide their future academic decisions
