## COMMUNITY FEEDBACK FORM

As the Chino Valley Unified School District plans for the future of our schools, we need your input! The following are priorities we've heard to date, and we want to know what priorities are important to you. (Check any that apply.)  
You can also complete the survey online at: [www.chino.k12.ca.us/outreach](http://www.chino.k12.ca.us/outreach).

- Retain and attract quality teachers
- Ensure safe drinking water
- Repair leaky roofs
- Remove lead from drinking fountains and faucets
- Remove asbestos and lead paint
- Replace deteriorating, rusty pipes
- Provide competitive, 21st century learning

# Neighborhood Schools Update

## Dear Neighbor:

I am proud of the tradition of excellence in our schools. Our award-winning schools continue to significantly outperform county and state averages as evidenced by standardized test scores and as recognized by the U.S. and California Departments of Education. In addition, many of our teachers have earned the title of Teacher of the Year. It is my promise that academic excellence in our schools will remain at the forefront.

Consequently, our career training education programs in health care, computer science, and law enforcement need to be expanded and our technology and related equipment needs to be upgraded. As our schools age, some built in the 1950s, our classrooms need improvements.

School buildings need basic health and safety improvements, including replacing rusty pipes for continued clean drinking water, removing asbestos, updating fire safety, and fixing leaky roofs. Investing in our aging schools by improving classrooms and upgrading technology will provide our students with the tools they need to maintain our high level of academic excellence in an atmosphere conducive to learning.

While we have worked with parents, teachers, and staff to identify some of our needs, included in the attached survey, we want to know your priorities for our schools!

Please help us by completing the attached card and returning it today. Thank you in advance for your input and support.

Sincerely,

Wayne M. Joseph  
Superintendent

## WE WANT TO HEAR FROM YOU!

Please fill out and return the attached Community Survey.
