

Orlando trip results in gold and silver for Chino High musicians

Chino High's Music Department recently returned from the Orlando World Strides Heritage Festival in Orlando, Florida with several awards in hand.

The Chino High Band and Color Guard received a Gold Rating, and the school's Tour Choir received a Silver Rating. The Band also received a special adjudicator's award for its high music scores.

Chino High has attended the Orlando competition five other times, winning a variety of awards. In 2013, it won the Overall Sweepstakes Award.

The Band and Color Guard and the Tour Choir also performed at Disney World in Orlando: The Choir at Disney Springs, and the Band at the Magic Kingdom.

The Band and Choir are under the direction of Chino High Music Director Douglas Bowden.

During the Spring Break (March 27 to April 2) trip, the group also visited other amusement parks, and the Kennedy Space Center.
