

Seniors receive scholarships from golf tournament

Twenty-five seniors from Ayala, Buena Vista, Chino, Chino Hills and Don Lugo high schools are receiving \$1,000 scholarships from Chino Valley Unified School District to assist in their under-graduate studies.

The funds for the scholarships were raised at the District's sixth annual golf tournament held in November and hosted by School Portraits by Adams Photography at Vellano Country Club.

Combined donations from this year and last's golf tournaments allowed the district to award 10 more scholarships in 2015 than had been awarded in 2014.

"These outstanding students were committed to obtaining excellent grades as they kept an eye on the future and have made significant contributions to their school and community," said Wayne M. Joseph, Superintendent. "The District is grateful to Tim Adams of School Portraits by Adams Photography for making the golf tournament possible and by setting an outstanding example for other businesses to support our students."

Among the attributes that students needed to demonstrate to receive one of these scholarships was achievement of an overall Grade Point Average of 3.8 or higher, a need for financial assistance, an outstanding attendance record, and/or participation in school activities that promote good citizenship. The winners and the school they plan to attend include:
