KINDERGARTEN REGISTRATION 2016-2017

Kindergarten registration for the 2016-2017 school year will begin the week of March 1, 2016. Please check with your resident school for exact dates and time of registration. It is customary that siblings will register before open registration. Parent/guardian must bring immunization records, birth certificate, and proof residency.

- A child who will reach the age of five (5) on or before September 1 of the school year shall be eligible for enrollment in kindergarten at the beginning of the school year or at any later time in in the same school year. (Education Code 48000[a])
- Proof of age shall be required of all enrolling students. This may include: birth certificate, baptismal certificate, or passport.
- Reasonable evidence of residency may be established by documentation, including but not limited to any of the following: (Education Code 48204.6)
- 1. Property tax payment receipts
- 2. Rent payment receipts
- 3. Utility service payment receipts

Note: Driver's license does not qualify for proof of residency.

- Students entering a District school or child care and development program, or transferring between school campuses, shall present an immunization record which shows at least the month and year of each immunization in accordance with law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law.
- Be advised that a revised version of *Board Policy 5141.31 Students Immunizations* was approved by the Board of Education in January 2016. The policy was revised to include requirements of SB277, pertaining to Personal Belief Exemptions to vaccination. Ensure that all office staff are aware of this new policy. Please see that included Memorandum from the CVUSD Health Services Department explaining the changes to the policy.
- The following immunization are required:
- 1. Polio (4 doses)
- 2. Diphtheria, Tetanus, and Pertussis (5 doses)
- 3. Measles, Mumps, Rubella (MMR) (2 doses)
- 4. Hepatitis B (3 doses)
- 5. Varicella (1 dose)
