PARENT NIGHT

NEW Common Core State Standards

NEW Smarter Balanced State Assessment

Parents are invited to attend one of the meetings to learn how the Common Core State Standards (CCSS) provide a practical way to prepare students for the challenges of a constantly changing world. In addition, Smarter Balanced is developing new assessments that measure the CCSS and help all students prepare for college and career. When the new assessments are implemented in the 2014-15 school year, parents and teachers will have better tools and information to track student progress and help them succeed. Learn how you can support your student through this transition in education.
