Meet the Teacher

Welcome!

This is going to be the best year in 4th Grade! I can't wait for us to get to know each other. We will be learning and growing together.

About Me

I have experience teaching 1st, 2nd, and 6th grade. I earned my B.A. in Liberal Studies, Multiple Subject Teaching Credential and Masters in Education from Cal State Fullerton. My family is from Illinois and I am a huge Chicago Cubs fan.
