ABOUT ME

I am so excited to be teaching 4th grade this year and meeting all of you! I earned both my B.A. in Liberal Studies and my Master of Science in Curriculum and Instruction with a Multiple Subjects Credential from California State University, Fullerton (Go Titans!). I have six years of experience working with all grade levels in various settings, including private tutoring, subbing, teaching at after-school programs/summer school, and teaching at Rowland and Chino Unified School Districts. I am confident that this will be a fantastic year! I look forward to building connections with my students and all the families. My goal is to empower my students and make learning fun, impactful, and engaging!

FUN FACTS

- I love to dance! It makes me feel alive!
- I have very artistic hobbies including calligraphy, journaling, & scrapbooking. I want to learn embroidery one day.
- I am a proud Taiwanese American and have visited Taiwan 7 times!
- My favorite color is pink!!
