Tips for Success!

- **Be Ready to Learn** – come prepared to class with the necessary supplies, materials, and a positive attitude.
- **Ask Questions** – If you need help or clarification, please ask. Chances are many of your classmates have the same questions; there is power in asking for help and support.
- **Stay Focused and On Task** – Use your time wisely in class to complete your work and study for any upcoming assessments.

Let's have a great year! 😊
