TBD

## Important Details

### Why Participate?

Meets NGSS standards

Leads to scholarships and helps students learn to think

### How to Help?

Assign Science Fair Coordinator at site - email Beverly Lockman with name by August 23

Encourage upper-grade/honors participation

### Important Information

Only 3 projects per grade-level (4th, 5th, 6th) or three per course/teacher in secondary move on to the district science fair

Encourage primary classes to submit a whole class project
