# What is the purpose of our dept.?

To increase the amount of healthcare workers in the Inland Empire

Our Work Based Learning program works to achieve this through the following core competencies

- Awareness
- Exposure
- Preparation
- Training

# Four Areas of Healthcare

## 1. | ALLIED

- EMT/EMS/Paramedic
- PAs/OTs/PTs/SLPs
- Nursing
- Dieticians
- Technicians

## 3. | MENTAL & BEHAVIORAL

- Psychiatry
- Psychotherapy
- Counseling
- Social work

## 2. | PRIMARY

- OB/GYN
- Family Medicine
- Pediatrics
- Internal Medicine

## 4. | PUBLIC

- Epidemiology
- Community Health
- Health Education

# Internship

## In-Person

- 40-hours
  - 9th, 10th or 11th grade
  - 3.0 GPA (can be exceptions)
- You will be awarded a Certificate.

# Managing your expectations

Please be aware this opportunity is for you to gain first hand experience on how to work at a general health site:

Ex. working front desk, shadowing physician, some patient interaction, etc.

Our sites will be providing a mix of those examples if there is a specific site you would like that we don't offer please understand that some health sites are age-restrictive and required education level for internship such as surgeon centers.

**This is a stepping stone towards your future health career**

# Participant Benefits

- Looks good on college application
- You can add it to your resume
- Personal Statements for UCs
- Get a jumpstart into your journey towards a health career

# Participant Benefits Cont.

**Acquire new and strengthen  
current skills**

**Head start on volunteer hours**

**Field practice experience**

***Possible stipend at the end of the  
year***
