### #welcome to kinder

Hi! I am Colleen Chamberlain. I have been teaching in the Chino District since 1988. I have been teaching at Litel for 28 years and Kindergarten for the past 9 years. I have been married to Steve for 37 years and we have two amazing grown children. We also have 1 sweet, smart granddaughter named Addison who is 4 years old and a brand-new grandson named Callahan who is 2 months. Fun Fact: I won my Fantasy Football league last year! I love teaching Kindergarten, where the magic happens, and can't wait to meet you!
