

Meet Mrs. Uhrich

Welcome to 3rd grade and what promises to be an amazing year. I am Mrs. Uhrich, and our Stadium Classroom is room 19 - home of the New York Mets. I have taught 6th grade for the past 10 years at Rhodes Elementary School and am so excited to now be an All-Star. I earned my degree and multiple subject teaching credential from Cal State Fullerton and received my GATE certificate from UC Riverside.

I have been married for 29 years to my husband, Daryle, and have raised two boys here in Chino Hills. Both of my boys graduated from Ayala High. My oldest, Stephen, then graduated from Northern Arizona University and manages a restaurant in Salt Lake City, Utah. Michael, my youngest, is a firefighter for the city of Anaheim. My favorite times are when my whole family can be together.

One of my other favorites is teaching, and I am very excited to be your child's teacher, and for all the wonderful things we will accomplish together this year. Your child's education is a partnership I am excited to be a part of. Please visit our class web site to keep up to date and to get to know more about our class.

A few of my other favorite things:

Food - Mexican

Drink - Coffee

Treat - See's Candy

Nuts and Chews

Supply - Erasable
Pens

Shopping - Amazon

Target

Nordstrom
