

My name is Scott Rossen, and I am thrilled to be teaching your child in 6th grade this school year. Here are some quick details about myself:

- This is my 26th year teaching, 15th year at Rhodes, and 5th year in sixth grade.
- My family has a deep-rooted connection with Rhodes. Both my children, David and Elena, attended this school. David is now pursuing his passion for teaching at Utah State University, while Elena is embarking on her academic journey as a freshman at Notre Dame University.
- This will be my 24th year teaching the GATE magnet or cluster class. I have had a GATE certificate for all of those years.
- I coach the debate teams at Rhodes Elementary School and Magnolia Junior High School.
- At Rhodes, I run the noon sports program, Green Teams, and coach the flag football and basketball teams.
- I am active at church and still a Chino High Sports Boosters member.
- For fun, I play softball, golf, and poker.
- All students are given a gift, and we, as adults, must ensure they realize this. Students who are happier and enjoy school will have much greater success than those who are not. I want to do my best to ensure your child has a great time in their last year of elementary school.
