

Dear 6th Parents,

Welcome back to school. It's been a busy first week, and I am so impressed with how well the students are adjusting to our virtual classroom. They have been logging into the curriculum, taking placement tests, writing letters, and creating FlipGrids. Since or Back to School Night is not until Wednesday, August, 26th, I wanted to touch base with you on a few things.

Parent/Student Conferences are scheduled for the week of September 28th. You may use this link to make your appointment. Please confirm your email invitations from Google Classroom and Class Dojo to receive update reports on your student. I will also be using <u>REMIND</u> for parent communication. Our <u>class website</u> is also a valuable resource for schedules, announcements, and additional links to support our curriculum.

Attendance is taken daily at 8:15 am. Please send me an email if your student is going to be absent, late or leaving early from class. The student will need to make an appointment to see me during Office Hours to review what was missed. Also, please let me know if your student is having wifi issues, so that I may extend the time on assignments.

Some helpful tips that we've learned this week:

- 1) Use Chrome as your browser.
- 2) Make sure that you are logged into your CVUSD student account to access programs.
- Parents should add Google Classroom App on their phones Use your student's username/password to join our class.
- 4) We learned how to upload photos & documents into Google Classroom
- 5) We learned how to use student email to send and receive emails.
- 6) Google Classroom assignments, grades/comments, calendar/due dates
- 7) Big Ideas -- Save before your exit, Assignments have due date/time constraints \*click on name/SUBMIT -- Use correct Math Format to show work/upload to GC
- 8) Be sure to TURN it in Google Classroom to have your work graded.

Finally, I would appreciate it if you would take a moment to complete the <u>Parent Survey</u>, so that I may get to know your child better.

Thank you and please feel free to send me a message if you have any questions. Sincerely,

Mrs. Keuning
