Reading

- 
- 
- In First grade, reading is a huge focus! **HUGE!** Your child should be reading aloud to someone else **every** night.
 - Every Week, in our homework, I will be sending home a decodable reader that correlates with our lesson. They will need to read this to you, you, the parent, will then sign the spot on the homework indicating that, yes, my child did read this book with me. This simple task will help tremendously in your child's ability to read.

Spelling

- 
- 
- Every Friday, on the homework cover page, you will get a list of spelling words to practice for the spelling test... I don't just test the word, I give them a dictation sentence with the word in it. Practice for the dictation sentences will be part of the weekly homework.
 - I am looking for capitalizing the first word, neat writing, a space in between each word, and punctuation at the end in each dictation sentence.

To be prepared for first grade math curriculum, practicing **math facts** is always a good idea.

I have already posted on my web page a link to our timed tests. We take these daily; 100 problems in 5 minutes. Flash cards help too. There's also Xtra-Math. Their goal is to pass 1-10 for addition and 1-10 for subtraction before they reach **2nd grade**.

Science

We have new Science curriculum. We discover many things in first grade, Space, plants, animals, sound, light... It is all very fun.

Social Studies

In first grade, students develop their understanding of basic concepts and ideas from civics, economics, geography, and history. The context for social studies learning in first grade is the family and the ways they choose to live and work together. To develop students' understanding of the basic social studies concepts, students are asked to think about families nearby and those far away.

Homework

- Every Friday, Starting in August, I will send home a packet in their Aviator Folders. The Folder includes:
 - **Passwords** to login to their school accounts... They have access to prodigy, and Epic (although epic has a curfew).
 - **A sticker sheet** for checking complete homework. They get a sticker if the packet is turned in on time, neatly written, and complete. I just check for completion, not whether or not their answers are correct... They shouldn't be doing their homework unsupervised. It takes a village to raise these kiddos and you might have a better way at explaining something to your child than I do... we are a team.

Homework

Continued...

Inside the Friday Folder, you should expect:

- A **packet** which includes: a Cover Sheet (2 sided) stating what is assigned each day and math pages.
- The **homework cover sheet** includes the topics for the week, spelling, vocabulary, and math assignments
- The **2nd side** of the cover sheet explains spelling homework. Spelling can be done on a blank page or lined paper. Staple spelling to the packet when complete.
- 5 pages of math (sometimes less if we have a test scheduled, there will be no math assigned on those nights)
- Homework is due every **FRIDAY MORNING** as your child walks through the door.

Cal Aero Preserve Academy

Grading Rubric

Grade	Level of Understanding	Depth of Knowledge
4	Excelling	Students at the excelling level of performance are consistently performing at grade level, can demonstrate independence, and can extend the grade level standards, when applicable and expected at this point of the school year.
3	Achieving	Students at the achieving level of performance demonstrate an adequate understanding of and ability to apply skills needed to meet grade level standards at this point of the school year.
2	Progressing	Students at the progressing level of performance are partially meeting the grade level standards expected at this point of the school year.
1	Beginning	Students at the Beginning/Standard Not Met level are not yet meeting grade level standards expected at this point of the school year.

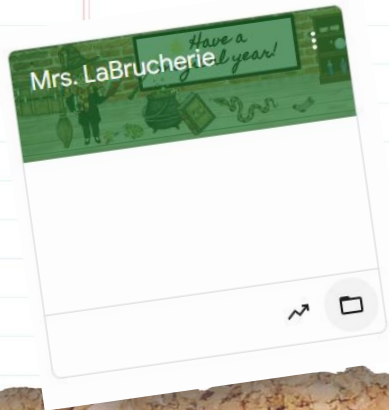

Assessments

- When we return in August, every **Friday**, we will be taking a **spelling test**. The words will be provided for you the Friday before on the homework cover sheet.
- **Math, Social Studies, & Science**
Assessments come at the end of each unit so there is not a set date for each of those assessments.

Google Classroom

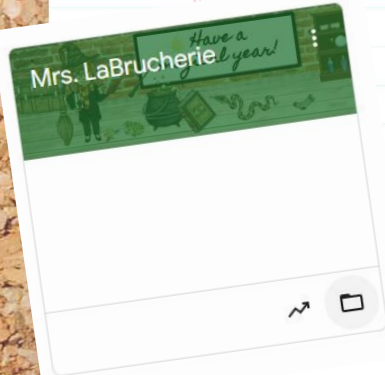

I will be using Google Classroom to assign classwork during class. The only time the students need to sign on to this platform is if they are on an independent study or off track. This is where I would assign work for them to do if they are out for an extensive amount of time.

Google Classroom

When we go off track there will be things to do on Google Classroom and Classlinks. They should be reading and practicing math **everyday** they are off track.

- Libraries
- Epic (Reading)
- Prodigy (Math and Reading)
- Accelerated Reader
- Boddle (Math)
- Espark (Math and Reading)
- Xtra Math
- Math-Aids timed tests...

Report Cards

- Report Cards are distributed by me at the end of each trimester.
- 1st Trimester: 10-20-23
- 2nd Trimester: 2-23-24
- 3rd Trimester: 6-28-24
- Depending on how you filled out your student information in the Aeries Portal, your child will be handed their report card by me and they will take it home. If you decided against this, you'll need to pick it up from the office.

Lunchtime

We have lunch from 11:00- 11:40 (M,T,W,F),
9:20- 9:50 (Thursday).

***Thursdays:** your child doesn't need to bring lunch on Thursday, we go so early it's more a snack time anyway. They are allowed to bring lunch and the cafeteria provides a complete lunch on Thursdays too.

Recess

1st recess is at 9:30 am.
Last recess is at 1:35 pm.

Recess is for using the restroom. Please encourage your child to use the restroom before they play.

Dismissal

M, T, W, F we dismiss at **2:50 pm** and on **Thursdays** at **11:30 am** from the South gate. Your child will wait for you on the left side of the dismissal gate. 3rd and up are on the right of the gate. Please don't stand in the middle as the kids walk out. It creates too much traffic.

If you have plans to pick them up in another location, please let me know so I am aware. I dismiss the north gate students and high five to walk on their own in a group.

Dismissal

- If you plan on picking your child up early from school please be aware of when we are scheduled out of the classroom.
- Plan to pick up your child **before** or **after** recess and lunch times.
- It takes time to locate your child.

Class Parties

We are scheduled to have 3 classroom parties this year.

- **Halloween:** I would like to have a Halloween party since we track off before all the other holidays.
- Valentine's Day
- **End of the year**

I'll need a room mom or moms help! Pretty please...

Also, We usually collect \$20 from each child to fund all three parties.

Birthdays

I will acknowledge each child's birthday throughout the year. For treats from home, please contact me.

Conferences

ParentSquare

A parent Square sign-up has been created. You can located on your Parent Square App. It opens for sign-ups on Tuesday, July 18th.

Parent Conferences are September 11th and 12th

School Events
