Class Management

[Click this link to join our class](#)

Class Management

- 
- 
- I will be using Class Dojo for my classroom management.
 - In class the kids will earn Dojo points for positive behavior.
 - Each day the kids who have earned 5 point, or more, will receive a prize, or treat!

**HIP HIP
HURRAY**

Behavior Incentives

Classroom Incentives

Kiddos earn Dojo points in class for positive behavior. Great behavior will be rewarded with a visit to the Treat Jar or the Treasure Box.

Want to donate to the Treat Jar or the Treasure Box?

Behavior Incentives

School Wide Incentives

- PTO Helps to run the **Aim High Store**. Once a month, students take their earned Aim Highs to this store and purchase fun items.
- If you are interested in donating to this store let me know!

Wonders

Reading

- In First grade, reading is a huge focus! **HUGE!** Your child should be reading aloud to someone else every night.
- Once or twice a week, I will be sending home a decodable reader that correlates with our lesson. They will need to read this to you at least three times, the parent will then sign the top indicating that, yes, my child did read this book with me and return it to the teacher the next day so it can be used in centers. They also get dojo points for bringing it back on time. This simple task will help tremendously in your child's ability to read.

Spelling

- Every Friday, on the homework cover page, you will get a list of spelling words to practice for the spelling test... I don't just test the word, I give them a dictation sentence with the word in it. To practice and only for the first trimester, I decided to send home the list of dictation sentences for your child to practice.
- After the first trimester, I will not send home the sentences to practice. You will still get the words and practice with your own sentences. I will give "cold" sentences to the students every Friday and this is what I call my spelling test.
- I am looking for capitalizing the first word, neat writing, space in between each word, and punctuation at the end.

Math

To be prepared for first grade math curriculum, practicing **math facts** is always a good idea.

I have already posted on Class Dojo about the timed tests. We take these daily; 100 problems in less than 5 minutes. Flash cards help too. There's also Xtra-Math. Their goal is to pass 1-10 for addition and 1-10 for subtraction before they reach 2nd grade.

Science

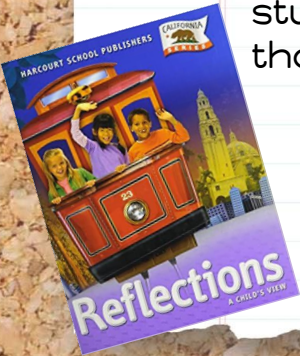

Exciting News! We have new Science curriculum and I am very excited to teach these lessons, last week we were only day 4 into the first topic and we planted seeds!

Social Studies

In first grade, students develop their understanding of basic concepts and ideas from civics, economics, geography, and history. The context for social studies learning in first grade is the family and the ways they choose to live and work together. To develop students' understanding of the basic social studies concepts, students are asked to think about families nearby and those far away.

Homework

- Every Friday, Starting August 19th, I will send home a packet in their Aviator Folders.
 - **Teamwork**- The kids shouldn't be doing their homework unsupervised. It takes a village to raise these kiddos and you might have a better way at explaining something to your child than I do... we are a team.

HOMEWORK

Homework

Continued...

Inside the folder Friday, you should expect

- **A packet** which includes: a Cover Sheet telling what is expected, Grammar pages, and Math pages
- The **homework cover sheet** includes the topics for the week, spelling, vocabulary, and math assignments due
- There are 4 or 5 pages of grammar,
- And 4 or 5 pages of math (sometimes less if we have a test scheduled, there will be no math assigned on those nights)
- Homework is due every **FRIDAY MORNING** as your child walks through the door.

Grading Policy

Grading Rubric

Cal Aero Preserve Academy
Grading Rubric

Grade	Level of Understanding	Depth of Knowledge
4	Excelling	Students at the excelling level of performance are consistently performing at grade level, can demonstrate independence, and can extend the grade level standards, when applicable and expected at this point of the school year.
3	Achieving	Students at the achieving level of performance demonstrate an adequate understanding of and ability to apply skills needed to meet grade level standards at this point of the school year.
2	Progressing	Students at the progressing level of performance are partially meeting the grade level standards expected at this point of the school year.
1	Beginning	Students at the Beginning/Standard Not Met level are not yet meeting grade level standards expected at this point of the school year.

Assessments

- Beginning August 26th, every **Friday**, we will be taking a **spelling test**. The words will be provided for you the Friday before on the homework cover sheet.
- **Math, Social Studies, & Science**
Assessments come at the end of each unit so there is not a set date for each of those assessments.

Google Classroom

FIRST GRADE...WHERE THE
MAGIC BEGINS

I will be using Google Classroom to assign classwork during class. I will also be posting monthly reading libraries, which the kids can access in class or at home.

*If your child is on independent study I may assign work for them to through Google Class.

Report Cards

Depending on how you filled out your student information in the Aeries Portal, your child will be handed their report card by me and they will take it home. If you decided against this, you'll need to pick it up from the office.

Lunchtime

We have lunch from 11:00- 11:40 (M,T,W,F), 9:20- 9:50 (Thursday).

***Thursdays:** your child doesn't need to bring lunch on Thursday, we go so early it's more a snack time anyway. They are allowed to bring lunch and the cafeteria provides a complete lunch on Thursdays too.

Recess

1st recess is **Snack Recess** at 9:30. If your child needs a snack before lunch, this is when they will take one item out to the snack tables. They only have 13 minutes to eat, go to the restroom and play so the snack should be small.

Last recess is **not** a snack recess so please encourage your child to eat all their lunch because that is the last time they will be eating.

Dismissal

M, T, W, F we dismiss at 2:50 pm and on Thursdays at 11:30 am from the South gate. Your child will wait for you on the left side of the dismissal gate. 3rd and up are on the right of the gate. Please don't stand in the middle as the kids walk out. It creates too much traffic. **Older siblings may not wait inside the gates.**

If you have plans to pick your child up in another location, please let me know so I am aware. I dismiss the north gate students and high five to walk on their own in a group.

Class Parties

We are scheduled to have 3 classroom parties this year.

- Holiday Party
- Friendship Party
- End of the year

A huge THANK YOU to the amazing moms who have offered to help out this year!!

Also, We usually collect \$20 from each child to fund all three parties.

Birthdays

Rules have changed a bit this year...But I will acknowledge each child's birthday throughout the year. Please do not send any edible treats to school for your child's birthday. If you would like to send goodie bags, please send them to school with your child. They will be distributed at the end of the school day.
