Welcome to your High School-level math class. I am looking forward to working with you this year! Our curriculum focuses heavily on Algebra, Functions, and Geometry. Keep reading for how to...

## BE SUCCESSFUL IN THIS CLASS!

EVERYDAY, I expect...

### You should HAVE:

- ✓ Spiral Notebook, 150+ sheets (**MATH ONLY**)
- ✓ Chromebook & Charger
- ✓ Pencil, eraser, Highlighter(s)
- ✓ Red/colored pen(s)
- ✓ Scientific/Graphing calculator
- ✓ Protractor & Compass
- ✓ Graph paper
- ✓ Class Syllabus
- ✓ Electronics **OFF & OUT OF SIGHT**

### You should DO:

- ✓ Complete Homework (in Spiral Notebook)
- ✓ Take good notes
- ✓ Ask questions
- ✓ Raise your hand to speak
- ✓ Listen carefully when someone else is speaking
- ✓ Write down assignments when you enter the room

### You should BE:

- ✓ Early!
- ✓ Seated and silent when the bell rings
- ✓ Attentive (on-task) during class
- ✓ Willing to collaborate with your neighbors
- ✓ Always demonstrating the 3 Schoolwide Pillars:
  - *Respectful*
  - *Responsible*
  - *Accountable*

**Participation** is determined by how well you meet the “HAVE”, “DO”, “BE” expectations above, and will be recorded using a Citizenship Log. Each time you break a rule, you must sign the log – your citizenship grade drops 1 point every 2 times that you sign.

**Homework** will be assigned everyday and is due at the beginning of the period the next day. You must attempt all problems and show all work to receive full credit. **Late Work** will be accepted only until the end of the current Grading Period (Progress Report/Report Card), with a 10% deduction for each day late (up to 50% maximum).

- ☺ 2 points = 70% - 100%
- ☹ 1 point = below 70% (or 70% - 100% + no work)
- ☹ 0 points = Incomplete

**Tests** will be given online at the end of each Chapter. You must show all work on paper for full credit. **Make-up Tests** must be completed during class. **Test Corrections** can earn back up to half of the points lost. A Study Guide will be given at the beginning of each Chapter and is due on the day of the Chapter Test. *Project(s) will be assigned as a cumulative assessment based on availability.*

A TARDY will be marked if you are NOT SEATED AND SILENT when the bell rings.

**Grades** will be weighted based upon the following percent distribution and grading scale.

📖 Assessments = 60%

📖 Homework & Participation = 40%

👍 A = 90% -- 100%

👍 B = 80% -- 89.9%

👍 C = 70% -- 79.9%

👍 D = 60% -- 69.9%

👍 F = below 60%

**Assistance** (outside of Class) is always available by request. If you would like more help, try other resources such as another math teacher, other Classmates, a tutor, or helpful websites:

Remember that we are **AVIATORS**, and we **SOAR**! So, if you are struggling, let's talk.

My motto is, "Help me help you SUCCEED". Only **TOGETHER** can we make that happen!

I, Aviator \_\_\_\_\_, agree to follow these rules and regulations at all times and I am aware that there will be appropriate consequences in the event that they are broken.
