Chino High School

SY 2022-2023

Course Title: Integrated Math 2 CP Days: M-F Room: CHS C-209 Teachers: Ms. Dungca Email: marilou dungca@chino.k12.ca.us Telephone 1 (909) 627-7351

Textbook:

Integrated Math 2 by John A. Carter et al, The McGraw-Hill Companies, Inc., 2012

Course Description:

The course covers but not limited to deepen and extend understanding of Polynomials, Quadratic Functions relationships in part by contrasting them with other Polynomial Function phenomena, and in part by applying quadratic models to data that exhibit quadratic trend. Integrated Math 2 also uses properties and theorems involving Congruent and Similar figures, Triangles, Quadrilaterals, Circles, Area and Volumes to deepen and extend understanding of geometric knowledge. The course aimed to ties together the algebraic and geometric concepts. The Mathematical Practice Standards apply throughout each course and together with the content standards prescribe that students experience mathematics as a coherent, useful and logical subject that make use of their ability to make sense of different problem.

Attendance Policy:

The parent or legal guardian shall notify the Attendance Office of student absences. Medical Certificates or any Absence Excuse Letter shall be cleared through the Attendance Office. Students must follow the Rules and Regulations regarding attendance absences and tardies as stipulated in the CHS Students Handbook.

Make-up Work:

Students are entitled to make-up classwork/homework, projects, tests and quizzes missed due to excused absences. It is the student responsibility to request for make-up work no later than the first day of return from such absences.

Academic Honesty:

Students caught cheating in any form will receive **Zero** credit for such classwork/homework, projects, tests, and quizzes. Cellphones are not allowed during tests and quizzes. **Honesty is the best policy**

Class Key Rules:

- **1.** Be in your seat when the bell rings.
- **2.** Follow directions the first time they are given.
- **3.** Raise your hand and wait for permission to speak.
- **4.** Stay seated unless you have permission to do otherwise.
- **5.** Learn from your mistakes; Never give up.

Consequences:

- 1. Warning
- 2. Student/Teacher Conf.
- 3. Call/Email Parent
- 4. Referral

Course Materials:

It is critical that you do all classwork and homework problems every day and review your classwork every night. In order to do so, it is imperative that students will have the following course materials:

- a) Graphing paper and loose-leaf paper
- b) Highlighters
- c) Protractor
- d) Scissor

- e) Pencils/Colored Pencils and Eraser
- f) Ruler and Triangles
- g) Compass
- h) Glue Stick & Tape

Organization and Cleanliness of the Classroom:

Students are expected to take proper care of supplies and materials loaned to them. Return the supplies and materials properly after each use. Students are expected to pick-up litters after themselves.

Restroom Policy:

Students are required to sign the **Hall Pass Log** and get their **pass signed** by the teacher before leaving the room. Take note, students will not be allowed **Hall Pass** during directed instructions.

Grading Policy:

Students are responsible for earning the grades. Students shall turn in completed work on due date. Students should work on classwork/ homework, watch video posted on Google Classroom and Delta Math.com, complete the projects, tests and quizzes to receive the credits.

Summative Assessments	70%	Α	90-100%
Tests, Quizzes, Projects	40%	В	80-89%
Proficiency Tests	30%	С	70-79%
Formative Assessments	30%	D	60-69%
Classwork/Homework			
Class Discussions			

Recommended Resources:

- o Remote Learning Device (i.e. computer, laptop)
- o Kami Account Set Up by the district
- o Access to Classlink (Google Classroom, Google Meet, etc.)
- o CVUSD Office 365 (Outlook, accessible via Classlink)
- Graphing Calculator (Desmos)
