- d) Uniform and equipment materials are available for purchase through the Music Boosters. We have a limited number of uniforms and materials for loan. A fair share is requested that supports the budget for the program (Transportation, equipment, entrance fees, and coaches). Working shifts in the Fireworks booth help to reduce the fair share (\$15 per 4-hour shift).
- e) Students will be registered for the Tall Flag class and must be at all after school practices (2-3 per week) and performances. Failure in this area may cause the student to not be allowed to perform and/or be removed from the team.
