# *Microsoft Teams for Class Meetings*

We will be using Microsoft Teams to conduct our daily live classes. You **MUST** be logged into your school account in order to join. No personal Google or Microsoft email accounts will be able to join.

Each class period has a unique Microsoft Team. The link will only be shared via Google Classroom and meetings will only open once the teacher is in it.

You can access Microsoft Teams on Office 365 through Classlink or click on the icon below to sign in with your school email.
