SUGGESTED CLASS MATERIALS

3" 3-ring Binder

Agenda

Zipper Pouch

2-Pencils/Eraser

2 Blue/Black Pens

1 Red Pen

Highlighters

College Ruled Paper

Subject Dividers

AVID COURSE DESCRIPTION: AVID's mission is to close the achievement gap by preparing all students for college readiness and success in a global society. AVID believes the road to college is paved with rigor, readiness, and relationships. Academic rigor is the goal of helping students develop the capacity to understand content that is complex, ambiguous, provocative, and personally or emotionally challenging. Taking rigorous courses opens doors. This elective class curriculum contains organization skills, student success skills, writing to learn lessons, collaboration exercises, and reading strategies.

Some of the requirements of class and expectations for students include:

Maintaining a Binder: Students will be expected to maintain an orderly binder. All six classes should be included in this binder and all materials listed on the Binder Contents list will be required. A large part of the class grade will come from weekly binder check scores.

School Assignment Planner: Students will be expected to maintain a daily school planner for all assignments in each of their classes. Maintaining the planner will be another part of the grade that will be checked weekly.

Monitoring and Maintaining at least a 2.0 GPA: Students will be expected to monitor their grades to maintain a minimum 2.0 GPA. Parents will be required to participate by checking student's grades weekly and signing the forms.

Participation in AVID Curriculum: All students will be expected to participate, without complaining, in all class activities, including but not limited to tutorials, team building, speaking, writing, and field trips. (students will not be allowed to attend field trips if they have a D or F)

CLASS GUIDELINES:

Students will maintain a respectful and positive attitude toward the teacher and classmates.

- **Be Prepared** – seated on time with appropriate materials
- **Be Positive** – ready to learn and think for yourself
- **Be Attentive** – participate by listening and staying on task
- **Be Responsible** – for your assignments and your actions
- **Be Respectful** – of yourself, your peers, and of me, your teacher
- **Be Safe** – participate in class activities with safety and instructions in mind

Panther Perks Incentive System

Panther Perk Student recognition is used for junior high students. Students are recognized for following Schoolwide Expectations which include being responsible, respectful, and safe. Students caught being disrespectful, irresponsible, and unsafe, will be rewarded with Panther Perks throughout the day. These Perks can later be redeemed for raffle prizes.

The PBIS system will be used in my classroom:

Positive Behavior Intervention Support (PBIS) at Briggs is designed to ensure that each student has the opportunity to learn in a safe and secure environment.

Students not following these expectations, will have behavior documented on Incident Logs. Teachers follow up with parents within 24-48 hours after the incident occurs and is recorded on the log. If a student accumulates 3 Incident Logs, a Minor Incident referral form and the logs will be given to an Administrator. From there, Administration follows progressive discipline and will communicate with the teacher and parent within 24 hours.

Consequences

* If I am ever absent, and a substitute teacher gives a poor report regarding a student's behavior, the student will automatically receive a one 30 minute detention.

HOMework & MAKE UP POLICY

****Attendance is extremely important. Almost all work is done in class. When a student is absent, they miss their class time to complete important assignments.****

- ✓ All assignments are to be completed and turned in on time for **FULL credit**. Late work may be accepted per teacher discretion
- ✓ Any student with an **Excused Absence** will be given as many days as were absent to turn in missed assignments for **FULL credit**.
- ✓ If a student misses a **TEST**, they must make arrangements with me to take the test during lunch or after school. They will have 1 week after their return to make-up a test!!
- ✓ For Third Trimester, no late work will be accepted, unless for an excused absence.

* Printer and Internet issues are not an excuse for late work. Please make accommodations ahead of time.

An average of 60-90 minutes of daily homework in total for all classes is expected, and this does not include an additional 30 minutes of required reading. (Per Board Policy #6154).

We will be using devices in the classroom for research purposes only. Any personal use is strictly prohibited (texting & social media). Students are expected to abide by all school and district digital safety rules and guidelines. Inappropriate use of technology will result in progressive disciplinary measures as outlined in the Briggs Student Handbook.

SPIRIT DAYS: • Monday and Wed.- wear school spirit wear.
Fridays wear college or military shirts

ACADEMIC DISHONESTY

Cheating, which includes: using notes or textbook when not allowed, copying someone else's work, allowing someone else to copy your work, taking credit/handing in someone else's work-including, but not limited to on-line resources and other reference materials (plagiarism), etc.

First Offense: A grade of zero for the assignment, **two** 1- hour after school detention and an "N" in citizenship for that class/subject during which the infraction occurs

Second Offense: will result in a "U" in citizenship for that class/subject and further disciplinary actions. **See Student Handbook.**

COMMUNICATION

Student success requires effective Parent-Student-Teacher communication. Best communication practices are:

1. Student addresses concern at school (before school/after school)
2. Student emails teacher: lisa_bader@chino.k12.ca.us
3. Parent requests meeting regarding concerns
909-628-1201 EXT 7025 (Parent/Student/Teacher present).

GRADING POLICY

Course Content	Work Habits/Effort/Behavior
A Advanced 90-100%	O Outstanding
B Proficient 80-89%	S Satisfactory
C Basic 70-79%	N Needs Improvement
D Below Basic 60-69%	U Unsatisfactory
F Far Below Basic 0-59%	

Parents and students are strongly encouraged to check the **Aeries Parent Portal** on a *weekly* basis to view the most current grades for **EVERY** class.

Please have an updated e-mail address on file with the office. *Per district policy, a GPA of 2.0 or greater is required to participate in extracurricular activities. This includes athletics, dances, and promotion activities. The most recent reported school-issued grade of progress will determine GPA every 6 weeks.*

TECHNOLOGY

PBL & Participation

Participation is a major component of the students' grade for **project based learning (PBL)**.

Note: In most cases the majority of project work will be done in class. However, in the case that the project was not completed in class it is the responsibility of each member to ensure all work is complete.

Projects	PBL
Can be done alone	Requires collaboration and teacher facilitation
About the product	About the process
Teacher-directed	Student-directed
Products are submitted to the teacher	Projects are presented to an authentic audience
Lack real-world relevance	Based in real-world experiences or problems
Occur after the "real" learning	Real learning occurs through the project
