Welcome Newman Knights to the 2022-23 school year! This is our second year together and I'm thrilled to be a part of such an amazing team. I love greeting your eager faces each day and love, love, love walking through your classrooms watching all the learning that's going on.

This year we will continue building relationships and working together to elevate your learning. As always being safe, respectful and responsible! We are a team here, and on a team, we look out for one another so help us make Newman Elementary the very best learning environment possible.

Have a wonderful and beautiful school year Newman Knights!
