#welcome to Sixth

This is my 19th year of teaching. 10 of those years were spent in 6th grade. Sixth grade is my favorite 😊. I'm an alumni of Cal State Los Angeles. I have been at Cal Aero for my last 7 years. I've really enjoyed my years here at Cal Aero. Aviators are the best! This year is going to be an adventure. We will chart unknown waters together, adapt to new ways of doing things, and most of all, succeed together! I can't wait to learn with all of you!!!
