Dear Parents of Ayala High School Students,

We want to welcome everyone back to school and we
are looking forward to having a great 2021-2022 school year!

**PTSA is committed to working with parents, teachers, and
students to ensure all our students succeed!**

With that being said, below is some information that you will find
useful on what PTSA is doing this year and how you can stay
informed.

<u>Getting Information and Getting Involved!</u>
PTSA information is always posted on the Ayala High School
website, listed under the link ”Community” and then "Ayala
PTSA". On our website, you will find information on meeting
dates, events hosted by PTSA. There are many opportunities for
parents to be involved.

Remember, joining PTSA does not mean you have to attend
meetings or sign up for a committee. Your support is very
important and any amount of time donated in any area is always
appreciated. **Involvement Makes A Difference!**

Thank you in advance for your continued support!
