## A Note From The Teacher

Dear Parents,

State testing is complete and we only have 14 days of school left! I am so proud of how hard every student tried on their state test. The students are all doing so well, and they are all still so eager to learn. We will continue learning to the very last day. Please let me know if you have any questions or concerns. We are so close to the end.

Mrs. Carenzo

## Contact Me

I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
