

ROLLING Ridge Students are OUT OF THIS WORLD

The COUNTDOWN is ON for another year of academic excellence!

Help Make it Happen with Your PTA Membership

PTA is dedicated to building important connections between students, their families and Rolling Ridge. Every form of contribution made by families, volunteers, community partners, teachers, and staff helps to give students opportunities in and out of the classroom. These opportunities support learning and build a sense of community, cooperation and friendship so that your child's Rolling Ridge educational experiences can be the very best.

The PTA membership drive is important to the start of another successful year. At Rolling Ridge, PTA membership continues to thrive and make a difference. Parents, teachers, students, staff and other family members can join PTA. Being a member does not obligate anyone to participate in activities, but it does offer valuable benefits.

It's simple to join or renew membership.

1. Complete the information on the membership envelope. (Extras are available in the office).
2. Include your payment of \$7.00 per membership. Please make checks payable to Rolling Ridge PTA.
3. Return the completed envelope to your student's teacher. Thank you for your support!
