## Welcome to Kindergarten!

I am so excited to welcome you to the 2024 - 2025 school year! I am looking forward to having your child as a student. Kindergarten is such a memorable year with so many wonderful learning activities to celebrate. In order to have a fabulous year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

## About Me

Hello! I am Gina Solis, and this is my sixth year as a Kindergarten teacher. I live in Chino Hills with my husband Greg. We have been married 28 years and have three children, all of whom are former Eagle Canyon students. I have called Eagle Canyon my home for over 19 years.

I graduated from Cal Poly MANY years ago. I started my teaching career as an 8<sup>th</sup> grade language arts teacher. I then went on to teach 1<sup>st</sup> grade for four years. After having my first child, I became a stay at home mom for fifteen years. I returned to my teaching career at our wonderful school.

## Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
