

HIGH SCHOOL GRADUATION REQUIREMENTS

All students receiving a high school diploma from the Chino Valley Unified School District shall:

1. Meet a cumulative G.P.A. of 2.0
2. Complete the course requirements as follows:

Subjects:	Units of Credits
English	40 units
Mathematics, including Integrated Math 1	30 units
Integrated Math 1 (if taken at the H.S. level)	10 units
Other level math	20 units
Physical Education	20 units
Visual & Performing Arts (VAPA)/Foreign Language	20 units
(one VAPA course may be replaced with an a-g approved Career Technical Ed/CTE course)	
Science	20 units
Biology & the Living Earth	10 units
Chemistry in the Earth System	10 units
Social Science	30 units
World History	10 units
U.S. History	10 units
U.S. Government (American Democracy)	5 units
Economics	5 units
Health	5 units
Electives	60 units
Total units of credit:	225 units

A note about math: students who complete Integrated Math 1 with a grade of “C” or better in junior high school shall be required to successfully complete only two years of mathematics (20 units) at the high school level in order to qualify for a diploma. Students who take Integrated Math 1 in junior high school will not receive high school graduation credit for that level of math and shall be required to complete 225 total units of credit in grades 9-12.

UC/CSU Entrance Requirements (A – G Requirements)

A - Social Science	2 years or more (World Hist., U.S. Hist., U.S. Govt.)
B - English	4 years
C - Math	3 years or more (Integrated Math 1, 2, 3)
D - Lab Science	2 years or more (Biology and Chemistry or Physics)
E - Foreign Lang. (LOTE)	2 years or more (same language)
F - Visual/Perf Art (VAPA)	1 year or more
G - Elective	1 year or more

Courses must be taken from the approved UC list. (Refer to <https://hs-articulation.ucop.edu/agcourselist/institution/1771> for Chino High School's A-G Course List). Seven (7) of the required academic classes must be in the 11th – 12th grade.

- **SAT or ACT: Required for 4-year colleges/universities.** Subject tests may also be required by particular colleges/programs. Check with individual colleges for testing deadlines.
- **GPA** – Grades in required classes must be a C or better. **Only grades from a-g courses in the sophomore and junior years are used in the GPA calculation.**
