

Dear 6<sup>th</sup> Grade Parents-

Time has a way of quickly passing and that is why we are sending this communication to you now to prepare for the upcoming school year and all of the amazing 6th grade experiences.

Arrangements have been made to have science camp at **American Outdoor Education** located in Crestline during the week of Tuesday **December 3rd- Friday, December, 6th**. During that week, our students will engage in hands-on, NGSS based, activities that will enrich their understanding of the earth, life, and physical sciences; and for that reason, we strongly encourage your support and participation.

This year we are collecting **\$468** to cover the following costs:

In addition to these events, PFA will sponsor our **field trip** and our **Walk-Through the Ancient Worlds!**

#### **Sixth-Grade Activity Fee (\$85)**

We do encourage you to consider this carefully and make a commitment now in order to budget and plan for these excursions. **The sixth-grade activity fee will be due by Friday, August 23, 2024. Payments can be made in the form of cash, check or money order made out to Country Springs PFA.**

#### **Camp Fee (\$383)**

In order to guarantee our position at camp, however, it is imperative that we receive your payment in the form of a cash, **check or money order** made out to **Country Springs PFA** during **parent conference week in September**. We will also be collecting payments through an online system for the camp fee as the event approaches. Our PFA is working to create this menu and link to be made available shortly.

All 6th grade students are highly encouraged to have a 6th grade shirt. We will wear them on field trips, to camp, and in our panoramic picture, taken in April.

We look forward to an exciting year and will remain in contact with you about upcoming events.

Sincerely,

Sixth Grade Coaches
