# CVUSD Student Guide to ClassLink

Secondary

Chino Valley Unified School District is providing a tool called a Single Sign-On which will make using the internet much easier at school and at home.

• ClassLink stores your usernames and passwords for school applications.

• All your cloud storage can be found on one place.

• You may store bookmarks for resources you use often.

Where is ClassLink?

- Enter "myclasslink.com/chino"

  OR

- Find the link on your school's website under the Student menu

Use at school and at home on **Chrome** browser

*Home computers will require ClassLink Chrome extension (you will be prompted)

How Do I Log In?

Username: District username (typically first initial followed by last name, but can vary)

Password: District password (student initials- first one uppercase – followed by five digits)

NOTE: students use their same District logins to log into district computers.

Icons With Ribbons & Keys

These icons are Single Sign-On Apps.

When you select one, it should already know your username and password for that app, and you should be taken to the website and be logged in. (Example: Safari Montage)

Icons Without Ribbons & Keys

These icons are just bookmarks for sites that do not require you to log in. (Example: Dictionary.com
