

# MEET THE TEACHER

## ABOUT ME

My name is Ann Steinbrink and I am so excited to be here! I started my teaching career in 2005 and worked in Cypress, CA until I joined CVUSD in 2017. I am so glad to be "home" as I was a Litel Lion myself, as a kid. I have one daughter and we love to play at the park, do crafts, play board games, and go on road trips. I am excited for our school year that is sure to be full of new experiences and I am glad YOU are part of the journey!

## EDUCATION

I graduated from Concordia University, Irvine with a BS in Liberal Studies. I went on to receive a MS in Reading from CSUF. I have a MultiSubject Teaching Credential, a Reading Specialist Credential, and a GATE Certificate. I love being a lifelong learner and always work to improve my craft!

## CHILDHOOD

I grew up in Chino Hills and am a graduate of Litel, Canyon Hills, and Ayala. This community is very special to me.

## MY "WHY"

I teach because I love working with children and helping them love learning. My favorite days are when former students come back to share all their successes in life.
