CSU uses three factors to determine eligibility—graduation from high school, completion of “a-g” courses, as well as grades achieved in a-g courses and test scores on college entrance exams. The Eligibility Tool below includes your completed and enrolled courses (uploaded by your school district) and measures your progress towards meeting the “a-g” requirements for CSU.

CSU Eligibility

UC Eligibility

**CSU GPA**

You are currently meeting the minimum GPA requirement of 2.0 or above. Your GPA reflects 10-12th completed “a-g” coursework submitted by your school district.

Courses that have UC Honors Approved under the title are approved as honors in the UC CMP database. Eligible courses receive an extra one point in the CSU GPA calculation.
