Chino Valley USD Accepting Applications for the Biomedical Science and Technology Academy

Beginning October 18, 2021, students are invited to submit their application to the groundbreaking Biomedical Science and Technology Academy at Chino High School opening fall 2022.

Chino, CA – Chino Valley Unified School District (CVUSD) is excited to share it will begin accepting applications to the Biomedical Science and Technology Academy (BST) at Chino High School for the 2022-23 school year. Beginning Monday, October 18, 2021, interested candidates can access the digital application online at <https://bit.ly/BSTapply>. Applications will be accepted through December 3, 2021.

BST is a tuition-free, competitive magnet program that combines conventional coursework with specialized classes and trailblazing curriculum, preparing students for both college and a rewarding career. Located in a brand-new, state-of-the-art facility showcasing classrooms complete with advanced, high-tech equipment for hands-on experience, BST offers students two branches of specialization: Biomedical Science with a concentration in Artificial Intelligence and Cyber Security.

Current eighth grade students are invited to join the inaugural freshmen class and connect with peers in a collaborative, engaging environment where they are encouraged to foster their curiosity through BST's rigorous four-year academic program that emphasizes mastery, encourages leadership, and builds innovative opportunities. BST's unique partnership with postsecondary institutions and corporations will elevate graduates above the competition when pursuing specialized programs.

To assist students, parents, and guardians with the application process, the BST Support Team will host four Application Support Sessions. A complete schedule for sessions can be accessed on the BST website at <https://www.chino.k12.ca.us/bstacademy>. Each Application Support Session has been specially designed to provide guidance on how to successfully submit a complete application. Select candidates chosen by the BST Admissions Committee will receive an invitation to complete the entrance exam scheduled for January 29, 2022.

Parents and guardians are welcomed to stay up to date with the latest information regarding the application process, what to expect after enrollment, and the numerous opportunities their student will enjoy while completing their studies by submitting an interest form at <https://bit.ly/bstinterestform>.

About Chino Valley Unified School District:

Founded in 1860, Chino Valley Unified School District serves approximately 26,000 students across 35 schools within the Chino Valley area. Home to 18 California Distinguished schools, students receive a rigorous, 21st century education in preparation for college and career. Thriving performing arts and athletic programs, nationally recognized marching bands, and engaging parent-school partnerships distinguish Chino Valley Unified School District as one of the best school districts in California.
