CVUSD will host its first Suicide Prevention Awareness Forum of the 2022-2023 school year

Attendees will join an expert facilitator to discuss methods on how to recognize warning signs of suicide and what immediate actions can be taken to keep our youth safe.

Chino, CA – On Tuesday, September 20, 2022, parents, guardians, and community members will have the opportunity to attend the first of two annual Suicide Prevention Awareness Forums hosted by the Chino Valley Unified School District (CVUSD). The forum will begin at 6:30 p.m. in the Chino Hills High School multipurpose room, located at 16150 Pomona Rincon Road in Chino Hills. Childcare and Spanish interpretation will be provided.

Dianne Vargas, the forum facilitator, holds a Doctorate in Education Leadership with an Administrative Credential, and is an Assistant Professor of School Counseling at the California State University, Stanislaus in Turlock, California. With an expertise in Education Law and Ethics, Dr. Vargas is an active trainer and consultant contracted by county offices of education and districts throughout the state, offering training in the areas of suicide procedures and policy, non-suicidal self-injury, anxiety, depression, conflict and de-escalation, and other mental health topics.

In addition to facilitating the Suicide Prevention training for parents, guardians, and community members, Dr. Vargas rotates among CVUSD campuses to provide training to staff and first responders. This group includes site administrators, nurses, psychologists, MTSS-B counselors, Intervention counselors, and any additional staff involved in screening students identified for suicide risk. During school site trainings, participating staff develop an awareness of risk factors, build an understanding for postvention activities – such as re-entry meetings, safety plans, referral services -, and improve their knowledge and skills in suicide prevention.

The second Suicide Prevention Awareness Forum of the school year is scheduled for February 7, 2023, in the Chino High School MPR. More information will be provided as the event draws near.

About Chino Valley Unified School District:

Founded in 1860, Chino Valley Unified School District serves approximately 26,000 students across 35 schools within the Chino Valley and South Ontario areas. Home to 18 California Distinguished schools, students receive a rigorous, 21st century education in preparation for college and career. Thriving performing arts and athletic programs, nationally recognized marching bands and engaging parent-school partnerships distinguish Chino Valley Unified School District as one of the best school districts in California.
