

Hi!

I'm Mrs. Hansen

Welcome to the 2024-2025 school year. Teaching has been a passion of mine since I was a little girl. I am very excited to work with you and your child. It is going to be a year full of fun, learning, and lots of hard work. I can't wait to see what the year has in store for us. I cannot wait to learn all about you, but before I do, I thought you might like to know a little about me.

I have been married to my wonderful husband Tim for 18 years. We have a son {Joshua} who is 15 and is going into 10th grade, he enjoys playing baseball. We also have a daughter {Addison} who is 13 years old and loves to dance, she will be starting 8th grade. We also have a three-year-old mini golden doodle {Mookie} who we adore. Needless to say, these three take up most of my free time, but I wouldn't have it any other way! Some of my hobbies when I am not at my kids' activities, are watching sports, going to the movies, reading, going to Knott's with my family, and spending my weekends at sports games or my daughter's dance competitions.

I grew up in Ontario and attended Levi Dickey Elementary, Woodcrest Jr. High and Chino High School. I continued my education at California State University at Fullerton where I received a degree in Liberal Studies. I received my Multiple Subject teaching credential and Masters in Education from the University of La Verne. I also hold an Education Specialist credential which I received from Point Loma University.

This will be my twentieth-year teaching. During my time teaching I have taught general education as well as special education grades Kindergarten-6th. It is my mission to instill a love for learning in my students. I attempt to teach with a passion so that my students develop a desire to become life-long learners. Please let me know if you have any questions or concerns. It is very important to keep communication open between us. It is always best to reach me by ClassDojo, the information will be provided. I can also be contacted by email at sarah_hansen@chino.k12.ca.us, I look forward to a great year together!
