

PAWBLO'S PBIS NEWS

ISSUE NO 1 | FALL 2020 | #BETTERTOGETHER

TOPIC 01

Briggs' Panther Perk system adapts to distance learning.

TOPIC 02

Briggs is recognized for our outstanding contribution of care and support during COVID -19.

TOPIC 01 - PANTHER PERKS

A Panther Perk is rewarded when students demonstrate being respectful, responsible, and/or safe. With Distance Learning we have made adaptations to our reward system. Traditionally, students can shop during lunch time, on Fridays, at Pawblo's cart. With Distance Learning students are entered into a weekly raffle for

every Panther Perk they receive. Using a randomizer wheel, Administration films a video of the raffle taking place for each class, and the video is shared with every class on Friday morning. Students selected come to the school library to pick up their Pawblo gift bag before or after school.

TOPIC 03

Distance learning successes, at home and in the classroom.

Topic 02 – Community Cares

Dear PBIS Colleague,

Congratulations! On behalf of the California PBIS Coalition, we are pleased to recognize Lyle S. Briggs Fundamental School of the Chino Valley Unified School District for its outstanding contribution of support and care during the unprecedented COVID-19 pandemic and resulting disruptions to school. Your heroic efforts to provide support of all kinds to California's students, families, and communities did not go unnoticed. To acknowledge this honor, your school's name will be displayed on the California PBIS Coalition webpage. Also included is an official electronic emblem which we encourage you to post on your school's website and in all staff email signatures to celebrate your success. We sincerely appreciate your support and commitment to provide positive experiences to our students, families, and community. We thank you for sharing your story and encourage you to monitor social media and communications from the CPC as we look to highlight how the California PBIS community cares for its students and stakeholders. Sincerely, The California PBIS Coalition

"The goal of Positive Behavior Support is not "perfect children." Rather the goal should be creating the perfect environment for enhancing their growth."
-Randy Sprick

We are continuing the theme for our Panthers of "Be Respectful, Be responsible, and Be Safe" as the basis for examining behaviors at Lyle S. Briggs. This is our fifth year of commitment to PBIS, in 2018-2019 We were awarded GOLD status from the PBIS coalition and last year due to the Pandemic and school interruption we were awarded the community cares medal. I am so proud of our students and staff and all of the dilligent work they have put in to make Lyle S. Briggs an outstanding school!

-Dr. Debra Boeve

TOPIC 03 -PBIS AT A DISTANCE

Panthers have found that in order to be most successful, they establish a routine, which includes finding a quiet spot, getting dressed, and logging on ahead of time to ensure no technical difficulties. A student's learning spot doesn't have to be extragavant, just a place free of distractions where the chromebook and paper can fit. Teachers have found the best way to teach our kids is to have multiple devices, so they can access multiple programs and still see the student's and their smiling faces. We've got this, Panthers!
