

meet the TEACHER

Hello! My name is Gretchen Gegen ☺. Welcome to Legacy Academy! I am a third generation educator. I began my teaching career in the Burbank Unified School District. After many years in the LA area, my husband and I decided to move back to the Inland Empire to be closer to family. I grew up locally in Corona. This will be my sixth year in the Chino Valley Unified School District. My husband, Joshua works as an assistant director making commercials. We live locally in Eastvale with our three-year-old son, Emmett, and our sweet rescue dog, Griffey.
