

MEET THE teacher

Welcome!

I am so excited to be your
3rd Grade teacher this
year!

All About Me

My name is Shannon Kooistra and this is my 12th year teaching. This is my 6th year at Howard Cattle and I love being a Rustler!

My husband, Peter, and I moved to the Chino Valley in 1998 and we have loved raising our two children here. Both Aaron and Morgan were students at Howard Cattle! On the weekends you will find us eating pizza and watching movies together.

My Education

My college experience began at Cal Poly Pomona and then I transferred to Azusa Pacific University. At APU, I completed my Bachelor of Arts in Liberal Studies and went on to earn my Teaching Credential. I taught for 6 years and then I took a break to raise my children. During that time, I enjoyed volunteering and teaching art in their classrooms. I am thrilled to return to teaching and share my love of art and learning with new students!
