

Distance Learning Student Expectations

During our Google meets, students are expected to be **SAFE, RESPECTFUL AND RESPONSIBLE!**

Distance Learning Student Expectations

- Students should not share their login information, meeting links, or passwords with others.
- School and classroom rules apply to our virtual sessions.
- Students who use inappropriate language, share inappropriate images, or in any way behave inappropriately on a video conference will be subject to appropriate discipline.
- To the extent possible, parents should allow the student to work with the instructor or provider in a quiet, private space. However, to the extent a student requires adult support to participate in virtual instruction/services, a parent or guardian may be specifically asked by the instructor or service provider to provide such support.
