

MEET THE TEACHER!

The basics

Hi! My Name is Mrs. April Dalton! I will be your child's 4th grade teacher for the 2020-2021 school year! This will be my 16th year teaching. Nine of those years have been here at Howard Cattle! It is truly a great school and we have the best students!

My family

My husband, Gregg, and I have three children. Our oldest, Quinn, is 17 years old and will be entering her Senior year of high school. Next, we have Presley, who is 8 years old and is in 3rd grade. Then we have Jase, who just turned 6 and is now in kindergarten. My husband is a PE teacher. We love to travel in our motorhome during the summer. We went on a 20 day road trip this past summer!

My education

I have an Associate of Science from Chaffey Community College. I also received a Bachelor of Arts in Liberal Studies from Cal State San Bernardino University. For my teaching credential and special ed. credential, I attended Chapman University.

Our University

Our classroom university is the University of Arkansas! Go Hogs! The reason why I chose that particular university is that my parents lived near the university. I have visited it a few times and have attended a football game. It's a beautiful campus!
