Dear Oak Ridge Parents,

Welcome back!

We are inviting you to participate in this year's Art PREP program. The program brings the works of Master Artists of the World to the classroom.

Your child will learn about each Artist and have the opportunity to practice different art techniques. This program is only possible with the help of VOLUNTEERS!!

As an Art Prep volunteer, you will get to experience the joy on the students' faces as they create their own masterpieces each month throughout the school year.

You will help them learn something new by experiencing and creating. The program was designed to make it fun and easy for both the students and the volunteers.

The orientation and Art Room tour will make everything a breeze to follow. Join us on DATES OF ORIENTATIONS as we go over the important information and dates for the year, and get any questions you may have answered. We are with you every step of the way!!

Signed,  
Art PREP Committee
