

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents/guardians, students, and teachers develop together. It explains how parents/guardians and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents/guardians can use at home.
- **Explain** how teachers and parents/guardians will communicate about student progress.
- **Describe** opportunities for parents/guardians to volunteer, observe, and participate in the classroom.
