

Say Hello to Lexia® English

Lexia English is an interactive, computerbased program that will help your child become multilingual by learning to speak English. Children learn from and have fun talking with 17 characters from around the world.

Online Activities

Your child will develop English skills in speaking, listening, and grammar as they talk about the following topics:

Math

Social Studies

General Knowledge

Biographies

Parent/Guardian,

Your child has been provided with access to Lexia English for the 2024-2025 school year! Students may access the program if they attend before school English Lexia class and/or may use it during the school day. Your child may use the program at home to grow their English skills.

Here are the recommended program usage guidelines:

Grades K-2:

10-15 minutes per session, 3 times per week

Grades 3-6:

15 to 20 minutes per session, 3 times per week

If your child has not logged onto Lexia English this school year, you can help your child access the program at home by following these steps:

- 1. Log onto Class Link.
- 2. Search for the application English Lexia if it is not already on your child's home screen.
- 3. Enter the login information on the card provided.
- 4. Follow the directions on the screen.
- 5. The first time a student used English Lexia, they will be required to take a placement test.

欢迎使用

Lexia® English

是一种基于计算机的交互式程序,可帮助您的孩子通过学习说英语来掌握多种语言。 孩子们可以从来自世界各地的 17 个角色中学习并从中获得乐趣。

线上活动

当您的孩子谈论以下主题时,便是在培养英语口语、听力和语法技能:

科学

识

家長/監護人,
