### about me

I am so excited to be your teacher! I have been teaching at Country Springs for over 28 years. I am a Cal Poly, Pomona alumni, where I received my degree in Child Development, as well as my credential. My husband and I have two, wonderful adult daughters that both attended Country Springs. My oldest works in the marketing & advertising field, and my youngest is teaching here at Country Springs Elementary! Teaching is my passion and I can't wait to start this year!!
