Welcome Rolling Ridge Families,

We are eagerly anticipating the onset of this academic year, filled with great enthusiasm for the exciting opportunities that lie ahead. Our main goal is to give our students the best education possible and help them grow in every way - academically, socially, and emotionally.

Our staff is all about working together to make sure our students succeed. We're here to support, guide, and challenge them to reach their full potential. We want to make learning fun and exciting, sparking curiosity and a love for knowledge.

Teamwork is key, whether between students or parents and teachers. We need to keep communication open and strong so we can all work together to help our kids thrive. You can stay in the loop with school events through our website, Aeries, weekly emails, and Instagram.

We value the support of our community and parents - it's so essential for the success of our school. You can get involved by joining the PTA, volunteering at events, or attending parent forums. Your voice matters!

We are thrilled to collaborate on this endeavor with you and observe the progress and accomplishments that lie ahead. Through our combined efforts, we have the potential to make this academic year truly remarkable. We sincerely appreciate the trust you have placed in us to educate your child and your vital role within our school community.

Let's make this year one to remember!

Sincerely,

JuliAnn Lopez
